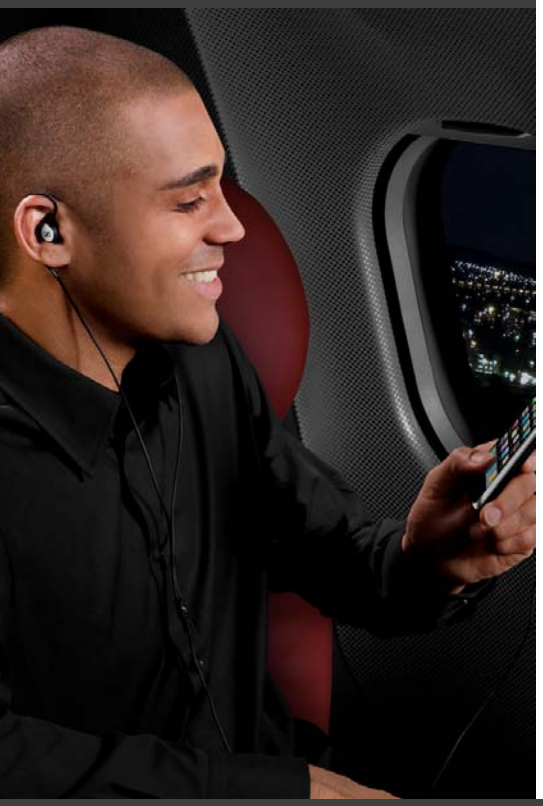
# MM 80 iPhone

## Give your iPhone the sound it deserves

The sleek and sophisticated black/silver style of the MM 80 perfectly blends with the latest iPhone – without compromising on excellent stereo sound. Thanks to Sennheiser hi-fi technology, you can listen to MP3s from your mobile, portable audio player or laptop with clear and detailed sound reproduction. The high-performance in-line microphone ensures you can quickly take calls and won't need to shout to be heard when you're out and about in the city.



- **Superb Sennheiser hi-fi stereo sound** – delivers clear sound reproduction and superb acoustic performance
- **Detachable microphone** – in-line microphone with call answer/ hang-up button: never miss a call!
- **Simply stylish** – sophisticated black/silver design perfectly matches the next-generation iPhone and MacBook Pro
- **Efficient noise reduction** – for an excellent listening experience in planes, trains and other noisy locations
- **Connect everywhere** – supplied with a 3.5mm plug for your iPhone, laptop or MP3 player – plus, an in-flight adapter
- **Perfect for Macs** – works with the newest MacBook Pro and lets you use the answer/end call button to control basic functions on iTunes, iPhone and the latest iPods
- **Comfortable custom fit** – ergonomic ear-canal buds, the option of snug ear-hooks and a range of ear-sleeve sizes
- **Always ready to go** – with a dedicated carrying case that prevents the cord from tangling when you're on the move
- **Peace of mind** – thanks to the 2-year international warranty
